## Lolita Table Lamp

---

by Nika Zupanc

*Who is afraid of pink? My imagination chases female archetypes intentionally. Frivolous, even naive objects are my favorite victims. And when, during such a process, I manage to be creative in an evidently reserved way, I then touch the purest meaning of my work and frivolity becomes timeless elegance. Lolita is here to play with your emotions. She is here to break your everyday routine.*

## cleaning instructions

Can be effectively cleaned using a regular household dust cloth or feather duster. Lightly dust inbetween each component when the lamps are not in use. Moooi recommends always reading the label of any cleaning products you wish to use on or near any item from the Moooi collection. For further information on how to clean this product please contact your nearest Moooi agent or dealer which can be located through our website.
